You will be taken to the calendar where you can navigate to the day you want:

The calendar interface shows the month of June 2017. It includes navigation controls for previous/next days, a 'Today' button, and tabs for Month, Week, and Day views. The calendar grid shows days from 28 to 24. A dropdown menu for 'Change Calendar' is set to 'All Reservati...'. The day June 4th is highlighted in yellow.

Your reservation is now made. Hovering over a booking will show the details:

Should you need to cancel your reservation then click on the reservation and select “Delete” from the drop down under the “More” button:

The screenshot shows the 'booked' web interface for editing a reservation. At the top, there's a navigation bar with 'booked' logo, 'Dashboard', 'My Account', 'Schedule', 'Help', and 'Sign Out'. The main heading is 'Editing Reservation'. Below it, the reservation details are displayed: 'BBQ Woodside House (bbq@woodsidehousesw19.org.uk)', 'Resources: BBQ', 'Begin: 05/06/2017 08:00', 'End: 05/06/2017 08:30', and 'Reservation Length: 0 days 0 hours 30 minutes'. There are input fields for 'Title of reservation' (containing 'Party') and 'Description of reservation' (containing 'Birthday. ~20 guests.'). A 'Reference Number' is also shown. At the bottom, there's an 'Additional Attributes' section with a 'Fiat Number' dropdown set to 'Fiat 52'. On the right side, there are two sets of buttons: 'Cancel', 'More', and 'Update'. The 'More' button dropdown menu is open, showing options: 'Add to Calendar', 'Print', 'Duplicate', and 'Delete'. The 'Delete' option is circled in red.
